MONA Island 60 is the new modular energy storage solution from MONA Motors - developed for agricultural businesses, commercial enterprises and sustainable energy supply systems.

Industrial-grade 60kWh high-voltage energy storage system, suitable for factories, microgrids, and energy peak shaving. Featuring modular stacking, high-voltage output, and full system-level BMS ...

As Dutch cities accelerate their transition to sustainable energy, the Voltsmile V10 RPC battery system paired with Victron Multi RS inverters has emerged as a game-changing solution for commercial ...

De oplossing heeft een uniek modulair ontwerp & flexibele functieconfiguratie. Daarnaast heeft deze BESS een sterke schaalbaarheid, eenvoudige & geschikte uitbreiding aan zowel AC als DC stroom ...

Explore the cutting-edge Commercial & Industrial Energy Storage & Micro-grid Solutions with our Netherlands 30kW/60kWh cases. These innovative energy storage solutions are designed to meet ...

Discover how the MOTOMA M88PW PRO lithium battery and Solis inverter system deliver 60 kWh of reliable energy storage and 30 kW of emergency power in the Netherlands, ...

Introducing the industry's first All-In-One energy storage system, integrating MPPT, PCS, isolation transformer, and battery in a single cabinet that comes to live!

Rent a mobile or stationary battery system for a reliable and sustainable energy supply. Perfect for events, construction projects, or temporary installations-- without any upfront investment.

With a 60 kWh battery from Shift to Solar, you keep control of your energy consumption. Full support from advice to installation.
