Are flexible solar modules suitable for commercial roofs?

Our flexible solar modules are particularly suitable for roofs with limited load-bearing capacity, as well as for foil and bitumen roofs. The DAS Kraftwerk team specializes in designing and installing photovoltaic systems for commercial rooftops.

What makes Winkler solar roof unique?

The innovative solar roof from Winkler combines the best of solar utilisation: In perfectly coordinated technology and appearance, our solar heat collectors are combined with photovoltaics "Made in Austria". And, on request, also with roof windows.

Where are photovoltaic modules made?

Our expertise lies in the field of green technology, with a clear focus on the development and manufacturing of lightweight and flexible photovoltaic modules. At our production center in Wiener Neustadt, we utilize state-of-the-art fiberglass materials from the aerospace industry combined with highly efficient monocrystalline silicon cells.

List of Austrian solar panel installers - showing companies in Austria that undertake solar panel installation, including rooftop and standalone solar systems.

Solar panel manufacturers in Austria.

Discover the leading solar energy companies in Austria for 2025. This comprehensive guide features global players and local specialists offering photovoltaic systems, mounting solutions and solar ...

In this light we want to sustainably contribute to our future energy supply with the construction of powerful Photovoltaic and Solar Thermal power plants using best Austrian PV panels and ST ...

Can you install solar panels on a building in Austria? In cases where it would be impractical to install solar panels on a building, contractors have to provide an alternative option for generating renewable ...

Austrian rooftop solar panel manufacturer

Winkler Solar produces solar collectors and photovoltaic modules in Austria. It is our concern to ensure a sustainable energy supply in Europe with local value creation.

Find the top solar panel suppliers & manufacturers in Austria from a list including Swimsol, PREFA Aluminiumprodukte GmbH & GeoSIG Ltd

Discover all relevant Solar Panel Companies in Austria, including Activ Solar and Energy3000 solar GmbH

Kioto Solar, a flagship company based in Austria, is renowned for its comprehensive range of high-quality solar products. With its roots deeply embedded in Austrian soil, Kioto Solar has ...

Our flexible solar modules are particularly suitable for roofs with limited load-bearing capacity, as well as for foil and bitumen roofs. The DAS Kraftwerk team specializes in designing and installing ...
