Yeah beidou is good. Especially if you have constellations on her as that gives a shield and more electro bounces for more overloads.

Bennett, Tartaglia, Beidou and Kaeya have been my main party since the arrival of Tartaglia on his first run. Destroy everything, my dear Beidou DPS. She is worth it.

Assuming this is for main dps beidou, Definitely level up Fischl since she's perfect for funneling beidou and has great sub dps capabilities. You could do an electrocharged team with ...

I've really enjoyed this weapon paired with a hydro/electro Kokomi team comp (also with Superconduct cuz of Rosaria). Both characters sync so well together that I can see why they ran ...

Greetings mains Beidou group, I am new to this group since after unsuccessfully pulling for Furina I managed to get Beidou with his constellation 2, so in view that I called my attention to the character I ...

Hello Traveler! You know that our Queen is the best waifu. We welcome art, theorycrafting, and any Genshin-related discussions. You can also find us on Discord at: discord.gg/beidoumains

On Beidou I have bloodstained chivalry, pale flame and a physical damage bonus piece. The luck of the draw was with me for artifacts and their stats. My Beidou hits a minimum of 2,500 per ...

Now this is where Beidou comes in. In team (Beidou, Sucrose, Xingqiu, Diona) Beidou's burst doesn't target the seed making it consistent for Sucrose to be the one triggering it. However tradeoff is you'll ...

Beidou C1 means, that she will actually become un-interruptible for 15 sec (or until shield breaks)? Beidou C2 means what? How many targets are hit by discharge initially and thus.. is it ...

I don't have Arlecchino but I've used her in a friend's acc and I gotta say, she's an awesome Beidou driver.

Beidou Solar Power Generation

Especially since her infusion doesn't end whne u switch out so u can safely do Beidou ...
