Are custom cabinets part of your budget?

For this reason, whenever speaking to kitchen designers, you can always have the look that you want if custom cabinets are simply not part of your overall spending budget. If you're interested in discussing your custom cabinetry needs contact us at Hunt's Kitchen Design & Cabinetry.

Are custom kitchen cabinets worth it?

Having a custom kitchen and specially crafted cabinets is certainly a big plus for lifestyle choices and freedom. Aside from the fact that custom kitchen cabinets are always pricier than what most people can afford, it's well worth the amount that is spent in the end.

What does a custom cabinet maker do?

Custom cabinet makers design using the measurements of your kitchen and match up to the exact layout of the space of your overall kitchen. Everything is designed to fit within the walls and existing obstacles that are designed and built in a specialty cabinetry shop.

When should you use custom cabinets?

Custom cabinetry is used when "off the shelf" option can't be. Perhaps you want a specific size, material, finish or fixtures that can't be bought in a catalog or premade. This is when you should be using custom cabinets for your project.
