-----

An AIFFP loan and grant package has supported Solar Pacific Pristine Power to build Palau's first solar and battery energy storage facility, key to its transition to renewable energy.

Alternergy Holdings Corp. and its subsidiary Solar Pacific Energy Corporation have inaugurated Palau's first solar PV + battery energy storage system (BESS) project, marking a significant milestone in ...

SMA, in collaboration with Solar Pacific Energy Corporation (SPEC), a subsidiary of Philippines-headquartered renewable energy company Alternergy, has successfully commissioned the large-scale solar ...

The project is wholly private-sector led and demonstrates how Australian financing can leverage and encourage private sector investment to deliver major infrastructure projects, in line with Pacific development priorities.

The Pacific island country of Palau has welcomed the commissioning of its first large-scale solar-plus-storage project, representing the largest power plant of its kind in the Western Pacific region.

As island nations grapple with climate change, Palau has emerged as a pioneer in adopting wind and solar energy storage solutions. The recent launch of its hybrid power station bidding program marks a critical step ...

Australia, through the AIFFP, has provided AUD31 million in financing to Solar Pacific Pristine Power to support the construction of Palau's first utility-scale solar and battery energy storage facility.

The USD 29 million project, jointly owned by SPEC and its listed parent Alternergy, will meet more than 20% of Palau's energy needs. SPEC was awarded a long-term power supply agreement by the Palau ...

# Construction of Palau solar energy storage project

Alternergy Holdings and Solar Pacific Energy inaugurate Palau's first solar PV battery energy storage system, advancing local clean power, grid reliability, and sustainable development.

Philippine renewable energy firm Alternergy and its subsidiary Solar Pacific Energy Corporation (SPEC) have recently launched the Republic of Palau's first solar and battery energy storage system (BESS) ...
