Does forever green fit EPs batteries?

Forever Green fitted a full system with batteries for me. I was misled regarding its capabilities and was assured it would meet the exact requirements I had requested. I some time later found out that it didn't. They do not provide and fit EPS, something which I was never told was a requirement to be able to have power off grid.

Did Forever Green redeemed themselves?

Forever Green redeemed themselves. Forever Green fitted a full system with batteries for me. I was misled regarding its capabilities and was assured it would meet the exact requirements I had requested. I some time later found out that it didn't.
