Discover all relevant Inconel Suppliers in Switzerland, including Novametal Group and Metallux AG

Here at Distrelec, we stock an extensive range of super & ultra capacitors from highly regarded manufacturers such as Eaton, Elna, KEMET, Panasonic, SPSCAP, Vishay, and Würth Elektronik.

Excellent low temperature performance. High-capacitance solutions for energy-intensive applications with high temperature rating. This ...

Our MEMS powerhouse can turbocharge your microsystems and we can develop high-performance packaging solutions for your photonic components. We ...

Thanks to their low equivalent series resistance (ESR), supercapacitors provide high power density and high load currents to achieve almost instant charge in seconds. Temperature performance is also ...

With the Zurich Instruments MFIA Impedance Analyzer, it is possible to avoid the above drawbacks by measuring supercapacitors over a wide frequency range, from 1 mHz to 5 MHz, with a small AC test ...

By coating dense nanocarbon electrodes with nanoscale active materials we achieve high performance Supercapacitors that can operate both at very low and very high currents. Swistor develops high ...

Our ultracapacitors, modules and systems are characterized by high energy and power density, highest quality and reliability, long operational life, the ability to ...

Skeleton's SuperBattery technology is a fast-charging, high power battery technology, filling the technology gap between supercapacitors and batteries. SuperBatteries offering the ideal combination ...

CAP-XX makes ultra-thin, high-power supercapacitors for portable and compact devices. Ideal for energy

High temperature supercapacitor manufacturer in Zurich Switzerland

storage. Quotes & samples available.
