Removing items from the start-up display is much too cumbersome because it requires restarting the program
If you click File > Close, or the lower cross in the top right corner, when you ...

Bonjour, Je ne suis pas un gros utilisateur de tableur, mais il m'arrive d'avoir des traitements plus complexes
à réaliser. Je me suis donc décidé à apprendre l'utilisation des macros ...

Hello, is There a usable macro on hand, to trigger from a button in a Base Form, a clean exit from DB and
LibO(V5) ? I'll take it ! Bob

I don't know if this option is much easier than copying and reproducing checkboxes in Google Spreadsheets,
but it is certainly easier than pasting controls into cells. Create a custom cell ...

Hello Guys & happy new year to you all. As a new user of Libre Office I am having trouble wrapping text. I
have searched the forum and googled the question but not sure how I go about this ...

Using Libre Office 7.5.1.2 How do I remove the gray spacers in these documents. I copy the prose from an
email and paste it into a Libre Office document and it looks like this: Use a colon ...

I did as you said Lupp but with no avail: I restored the default user in the new installation and then copied only
the /basic/ folder from my old nfig/libreoffice/user to the new one but still my ...

A few days ago, I installed Fedora 43 on a new laptop. During installation, I chose a Dutch interface.
However, LibreOffice still uses the English interface. According to the help function, ...

Será que vocês poderiam me informar se o LibreOffice Writer é um software de
fácil manutenibilidade ? Analisabilidade identifica a facilidade em se diagnosticar eventuais problemas
e ...

Buongiorno, vorrei sapere come posso fare creare un menù a tendina per scegliere la valuta da assegnare a delle righe con dei valori numerici, senza dover ogni volta andare a modificare ...
