With a unique, integrated design that combines a solar panel, battery, and light fixture, Pollux is easy to install and eliminates the need for trenching and monthly electrical bills.

The 80 Watts Athens Solar LED Street Light features an all-in-one design function, a low profile design with PIR/microwave motion sensor, and a smartcontroller all built in with bifacial solar panel.

Equipped with a high-efficiency MPPT solar controller and an intelligent sensor, the ZAIN solar street light optimizes energy savings while providing reliable lighting performance. It is the ideal choice for ...

Athens Solar LED Street Light features all in one design function, low profile design with PIR/microwave motion sensor and smart controller all built in with bifacial solar panel.

This 80W solar street lights, dusk to dawn street solar lights with PIR motion sensor and light sensor, it can produce over 8000 high lumens of brightness, ideal for illuminating highways, roadways, streets, ...

Anern 80W solar street light is an energy-efficient outdoor lighting solution to illuminate streets, pathways, and public spaces. This type of light typically features high-efficiency LED bulbs, a durable ...

Depending on different power situations, this energy storage system is designed to generate continuous power from PV solar modules (solar panels), battery, and the utility.

This compact, integrated, all-in-one solar power street light has its solar panel discretely installed on the top of the fixture. It has a large lithium battery pack installed inside, and a cluster of powerful white ...

The 80W All-in-One Solar Street Light is a powerful, energy-efficient lighting solution designed for large outdoor spaces. Featuring an integrated design, it combines a solar panel, LED light, battery, and ...

Solar all-in-one machine 80 watts brightness

This eco-friendly solar street light is a sustainable lighting solution with low electricity cost and a low carbon footprint. The street light features an 80-watt integrated high-efficiency LED light that offers ...
