Bulgarian renewable energy company Sunterra RE has expanded the capacity of its Kaloyanovo solar power plant near Plovdiv by installing an additional battery energy storage system (BESS). The new ...

In 2024, GSL ENERGY successfully installed a 7.45MWh industrial-grade BESS energy storage battery system in Bulgaria, integrated with solar photovoltaic power generation, to provide stable and clean ...

Three years ago, SCU deployed the country's first 40ft containerized energy storage system at a solar farm in Bulgaria, setting a precedent for large-scale industrial and commercial energy storage.

Hithium has launched a 55 megawatt hours (MWh) battery energy storage system (BESS) project in Razlog, southwestern Bulgaria. The project, the largest in Eastern Europe, has been realised by Solarpro, ...

Located next to a photovoltaic park within Balkan Industrial Park, it is part of the country's first closed licensed power distribution system. The Bulgarian city of Lovech, northeast of Sofia, hosts the ...

Your path to success in Bulgaria starts with Highjoule. At Highjoule, we are committed to supporting our agents in Bulgaria with reliable energy storage solutions that promote success and sustainability.

What is HJ mobile solar container?The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery ...

This article explores how these innovative systems address modern energy challenges across industries while highlighting opportunities for businesses seeking reliable power solutions.

Wondering how energy storage container prices in Bulgaria are shaping renewable energy adoption? This guide explores current market rates, key cost drivers, and emerging opportunities for commercial buyers.

Solar container lithium battery power station in Bulgaria

The scheme aims to support standalone projects that will help integrate renewable energy in Bulgaria, and each project can receive a maximum of 148 million BGN (US\$80 million) in support.
