Does sonnet offer a rack Mac mini?

Yes,yes,yes- Sonnet has you covered. Sonnet RackMac mini (2024+) integrates Mac mini computers into a compact rackmount enclosure for diverse audio,video,software development,and distributed processing.

How does sonnet work on a Mac mini?

In a single Mac mini configuration, the Sonnet solution's air dam and strategically placed seals help keep air from circulating in the unoccupied computer bay. Whether you install one or two Mac minis, RackMac mini prevents recirculation of hot air around the computers to keep them ambient temperature chill and operating reliably.
