---

As the sole representative in the photovoltaic industry, Tongwei has secured one of the first batch of national-level pilot-scale demonstration platforms!

Tongwei Solar, the world's largest polysilicon manufacturer and a leading supplier of solar cells, has ventured into solar module manufacturing. Its product lineup includes PERC, TOPCon, and HJT ...

Tongwei Solar's shingled modules, built on 210 cells, are based on the company's innovative patented shingled technology, forming flexible interconnects and a unique internal...

Over the past three years, Tongwei has made a remarkable leap in the solar sector, shipping over 100GW of modules at record-breaking speed.

It is the first module project invested and constructed by Tongwei Co., Ltd. in Jiangsu and is currently the module base with the largest single-line capacity in the global PV industry, leading the industry in ...

Browse our complete catalog of Tongwei solar products including panels, inverters, batteries, and EV chargers. Each product listing includes detailed technical specifications, downloadable datasheets, ...

After large-scale and intelligent transformation, it can support the establishment of 120-150GW PV power stations, while producing 10 million tons of healthy and high-quality Tongwei aquatic products annually.

To determine the relationship between efficiency and irradiance & temperature, PV modules are tested across a matrix of operating conditions according to the standard IEC 61853-1:2011, ranging in ...

Smart Module By Tongwei Quality as deck, innovation as sail We ship reliable and advanced PV modules by virtue of leading modern intelligent manufacturing.
