-----  
Which outdoor kitchen appliance should I buy?

Side burners are another essential outdoor kitchen appliance. With one or two extra outdoor cooking spaces you can multi-task and heat up savoury sauces, make side dishes, or boil water. Many grills come with one or two built-in side burners.

What appliances do you need for a backyard kitchen?

One appliance that adds a deluxe touch to a backyard kitchen is an outdoor oven that has lots of uses. You can bake, broil, or roast. Anyone with an oven in their outdoor kitchen probably has a model that runs on propane, natural gas, or electricity. Wood-fired ovens are also available.

Do outdoor kitchen appliances need a fridge?

Outdoor kitchen fridge One of your outdoor kitchen essentials should include another hardworking appliance - a fridge. Outdoor kitchen refrigerators are specially designed with weatherproof exteriors and electronics, as well as thicker insulation.

What are the different types of outdoor kitchen burners?

There are only two main outdoor kitchen burner options...Both of which are natural gas or propane powered. Side burners are essentially the outdoor equivalent of your indoor stovetop. They may not put out a ton of heat...But they're still handy for making sauces, reductions, boiling pasta, or sauteing. Power burners are your other option.
